

Section II - Assign Roles and Responsibilities

To give a new agent access to your account, check the role(s) you want the agent to have and enter the "Access Begin Date" (must be the beginning of a quarter for "Wage Submission") and "Access End Date" (optional) for the selected roles.

For all roles except "Wage Submission," once an end date is entered, the agent will no longer have access to those roles after the "Access End Date" provided. If no end date is entered, the access will continue indefinitely.

For "Wage Submission," the dates of access will allow the agent to update your wage records for all quarters within the access dates, regardless of the current date. For example, if you give an agent access for the first quarter of the year, the agent will be able to access the wage records for that quarter at any time. If you wish to completely remove access for the agent, which would prevent them from accessing quarters they were previously authorized for, select the "Remove Access" box for the agent.

You cannot grant two agents access to the same role during the same time period. If you want to change agents, you must remove the role from the existing agent by entering an "Access End Date."
